

Support your local club

We at GenallocX know how much grass roots sports clubs have suffered during the pandemic and how important it is to get them up and running as soon as possible. Our local Rugby, Football, Cricket, Netball and Hockey clubs are at the heart of our local communities, and the sports they play helps instil the respect and responsibilities of life.

GenallocX would like to recruit a Partnership Manager for every grass roots sports club. All club members & players will receive a *10% discount code* for our products. The Partnership Manager will also receive a complimentary packet of either GenallocX Elite Bovine Collagen or GenallocX Wild Caught Marine Collagen every month.

GenallocX will then donate an additional 10% on all sales generated by the members & players to their club !!
